All ceramic coatings are registered to CarFAX and improve vehicle resale value!

\* = Warranty guaranteed by New England Auto Spa  
All others warrantied by manufacturer

Note, these prices are meant to serve as guidelines. Every car requires a customized service plan and is subject to a customized quote. Pricing is subject to change if more or less paint correction is required, if paint work is required, or there are other concerns discovered by the technician. BRAND NEW cars receive significant discounts.
